Add 185.60 for TOC-F 197.2 for TRC-M

LPC= Internal carrier

USC = Uniform Shirt Carrier

ABS = American Blast Systems half inch thick and one pound level III rifle plate.

\$345 separate or or for addition plate

TOC-F = Tactical Outer Carrier with fixed pockets

TRC-M = Tactical Response Carrier with MOLLE

PSF= material weight in Pounds per Square foot

Thick = Thickness of the ballistic material
